

Agenda Outline	Agenda Item	Meeting Minutes from Discussion	
	Announcement	Rachel Richesson has students in last semester of a 2 year nursing informatics program who may be able to help. Reach out to her.	
Organization	Approval of this Agenda	done	
	Prior call Minutes (7/9/20) approval	Not possible - postponed (original minutes got mashed, need to recover them)	
10 min	It's HL7 election time	<p>Virginia will present her recommendation that our WG vote for Riki Ulrich for ASD Co-chair. Assuming we agree, she will now submit our vote.</p> <p>=====</p> <ul style="list-style-type: none"> • <u>Vote to re-elect your Work Group chairs.</u> Watch your email for subject line "Your Invitation to Vote" by mid-day on July 1. If you have not received an invitation but feel you are eligible to vote, please contact Linda Johnson at Linda@HL7.org. (If you're a member of multiple groups you'll get one email for each, with a unique voter ID.) <ul style="list-style-type: none"> • These emails went to anyone on the WG's listserv. You can vote whether or not you're a paid member of HL7. • HL7 members can also vote for board members 	
PE WG projects (30 min)	Instead of covering all 4 projects weekly, with a tiny time slot for each, your co-chairs decided we'll grant time slots each week to whoever has something to present. Default for now will be 1-2 projects each week, alternating as the need arises.		

Agenda Outline	Agenda Item	Meeting Minutes from Discussion	
	<p>Updated WG priorities document is here - reformatted to clarify next steps for each. Please review!</p> <p>Co-chairs (led by Virginia) will be shepherding our two PSS's through the HL7 process</p>		
	<p>Patient Contributed Data (Jan & Maria) - continue where Jan left off in last week's minutes</p>	<p> PSS-1655 - Create a white paper on patient contributed data.</p> <p>New note: Purpose suggested by Virginia in the PSS: "to define patient contributed data and the work done to standardize interoperability in the field up to this point as well as consideration of gaps and needs and recommendations)"</p> <ul style="list-style-type: none"> • Jan & Maria to provide updates. • Update on intersection of provenance and PCD - see huge Zulip thread. 	
	<p>Corrections to the Record (Debi & Abigail)</p>	<p>We'd like to learn of various workflows, to support automating them in FHIR. Simple example with my PCP: (we just had this happen)</p> <ul style="list-style-type: none"> • Patient declares something's wrong. • Provider & patient negotiate what should change, if anything • Provider gives it to someone in IT 	
Organization	HL7 process (if time allows)	See Virginia's email titled "HL7 101 Continued" re HL7 balloting process.	
Adjournment
